The East Bay EDA is a cross-sector, public-private partnership that promotes strategic economic development throughout Alameda and Contra Costa Counties. We convene diverse networks of businesses, local government, and community leaders who embrace the extraordinary value of our region as an unrivaled place to live, work, and do business. East Bay EDA champions regional collaboration through direct business services, legislative advocacy and regional networking by connecting efforts that support a healthy and vibrant economy.

As a member of East Bay EDA, you will have opportunities to:

- **Network**: Expand your network and connect with high-level public and private sector decision-makers at member meetings and events.
- **Lead**: Lend your talent to our diverse committees and collaborate with other cross-sector partners to strengthen and promote the region.
- **Brand**: Elevate your brand and receive VIP recognition to boost visibility for your company as a champion for economic vitality of the region.
- **Influence**: Use your position to lead the East Bay voice on critical positions and priorities for the region.
